Description

Description: On the ground floor of the building under construction, which is located between Peroj and Fažana, we are selling a 100m2 apartment. The apartment has a beautiful covered terrace of over 20 square meters with a panoramic view of the sea and the Brijuni Islands. The building is currently under construction and occupancy is planned by December 2023. The mentioned apartment consists of two bedrooms with two bathrooms, a storage room, a living room with a kitchen and a dining room, a covered terrace, a storage room on the ground floor and a parking space with a total area of 100.94 m2 (the square footage does not include a parking space). There will be 6 apartments in the building and the building will have a large swimming pool available to all tenants as well as a private part of the garden. The building will be of a high standard, equipped with a solar system, underfloor heating, electric shutters, an elevator, PVC three-layer joinery, 15 cm insulation... It is a high-quality construction standard that fully justifies the value of the apartments considering the location.
