Description

Description: On the hill above Rabac is located the medieval town of Labin, whose real name Albona has been mentioned since 285. B.C. It is rare that a city can offer you so much at once. You can enjoy walking among the old walls or go down to the city center where everything you need for a quality life and vacation awaits you, as well as a touch of the past, so you can find out the facts and see many monuments about what we now call the town of Miners. Just 3 kilometers from "old Labin", you will be enchanted by beautiful beaches with a view of the island of Cres, cafes, restaurants and everything necessary to please numerous visitors. A building plot of 950 m² is for sale 6 kilometers from Labin. The land has access from an asphalt road and all communal infrastructure is located near the land. The location is quiet, at the end of the construction zone and surrounded by nature, and is located near the city and the surrounding beaches. Opportunity to build a family house or holiday villa.
