### Description

Description:	<p>Land Valmade 1341 m<sup>2</sup> - <b>!!OPPORTUNITY!!</b> In the eastern part of the city of Pula is the suburban settlement of Valmade. The settlement is in a very good location, near shopping centers and the ring road. At the very entrance to the settlement, next to the road, there is a plot of land with an area of 1341 m<sup>2</sup>. The land is landscaped, has a regular shape and is ready for construction. According to the location information, the construction of residential buildings, residential-business buildings and commercial buildings is allowed. All connections such as electricity, water, sewage and gas are located next to the land. Due to its extremely good location and the fact that there are not many building plots of this size available in the area, the land represents an opportunity for investors.
