Description

Description: Angelus nekretnine presents two decorated apartments in Diocletian's Palace! The apartments are located in the very center of the city of Split, in the palace itself, which is under UNESCO protection. Diocletian's Palace is not only an outstanding ancient monument, but also a national and world asset. Together with the later medieval addition, it forms a valuable archaeological and historical-artistic complex. The subject of sale are two separate apartments located on the same floor, and together they have a total area of 44.55 m². Both apartments consist of a living room, a bedroom, a kitchen, a bathroom and a balcony. They are fully furnished and equipped and are being sold as such. They are oriented to the south and west, and from the balcony there is a wonderful view of the palace, roofs and bell towers. On the ground floor there is a storage room that has been renovated and is used to store bed linen and all the necessary things for furnishing the apartment. The apartments have been successfully rented out for years and are a great investment. Properties like this are rarely on the market, so we definitely recommend viewing!!
