Descrizione

Informazioni aggiuntive: A special property for sale on 30000m2 of land! Beautiful energy-independent

luxury villa in the town of Krk! Around the villa, there is a family farm or olive grove that covers 30,000 m2, where there are young olive groves. The garden has an irrigation system from the reservoir. The villa consists of a hallway, living room with kitchen and dining area, two bedrooms, two bathrooms, storage, and energy.

Maintenance of temperature, humidity, and air exchange was solved by the depurator with the use of outer air temperature, solar energy, and soil temperature. The villa has a terrace, swimming pool, and sun deck. The power supply is from photovoltaic panels and diesel generators and everything is connected to the electricity grid. The villa has a modern interior. Dominated by large glass rocks that provide a beautiful view of the bay of Krk and the city of Krk. The exterior of the villa is in harmony with the environment and nature around the property - it is lined with stone. In 2021, another house was built on a plot consisting of a large living room, bedroom, kitchen, bathroom, and terrace with a large tavern. Great opportunity to become the owner of a rare property on the Croatian market! ID CODE: EI-15
